

BRINGING MODERN COMFORT TO YOUR HOME

Applications

Pressure Boosting

Car wash

Residential

The intensity of the water pressure, reliable and consistent temperature, the strong, invigorating spray plus excellent energy savings... You can have it all with the top-of-the-line Grundfos UNI-E series pressure booster system.

Grundfos UNI-E variable speed drive home booster pump help ensures constant water pressure despite variation in demand or inlet pressure. This Home Booster pump keeps the pressure up regardless of usage. The constant pressure feature provides the benefit of increased comfort and you can even personalise the water pressure that you are comfortable with.

With superior Danish technology, sterling quality and the fact that only Grundfos pumps are SIRIM certified, you are assured total peace of mind and satisfaction when you choose Grundfos.

Grundfos, bringing modern comfort to your home.

Model	Length x Height x width (mm)	Pump Connections	
		Suction	Discharge
